Camps and Clubs where children of abuse, abandonment and neglect find positive memories to last a lifetime

Royal Family **KIDS** Camps and Clubs offer no ordinary experiences.

Yes, it has the activity centers to make things like birdhouses and decorated T-shirts. There is singing with hand movements. And the children spend a lot of time at Camp outdoors playing games, or even swimming, fishing, or canoeing and in Club reconnecting through the school year with adults and kids from Camp.

Our campers are children ages 6 to 12, who have been abused, abandoned or neglected by their families and are now in the state foster care system. They especially need time filled with positive memories! So for one week of summer Camp or school year Club, screened and trained volunteers from local churches across the country (and even internationally) show these kids compassion and lots of healthy attention. In fact, we have a 2 to 1 camper to counselor ratio, so that each child has plenty of interaction with a kind, caring adult.

LIVING MEMORIAL

Honor a loved one ...

Create positive memories for a child of abuse, abandonment or neglect ...

Make a difference for all eternity ...

**Make an
eternal impact
...through a
Royal Family
KIDS Living
Memorial**

No doubt you know someone who has demonstrated a remarkable love and concern for hurting people. This person may still be here beside you ... or perhaps your loved one has passed on to eternity.

Now you can honor your loved one's commitment to helping those in need ... through a Royal Family KIDS Living Memorial. Given in your loved one's name, this special gift will make a difference for many years to come as it helps to show that same kind of compassion and care to children of abuse, abandonment and neglect who come to Royal Family KIDS Camps and school year Clubs and Mentoring programs.

An extraordinary gift of love

The Royal Family KIDS Living Memorial you give is a unique and compassionate way to honor a loved one, either in memory of a friend or family member who has passed on, or to celebrate the birthday, anniversary, or other special occasion of a living relative or friend.

But a Living Memorial does so much

more. As you honor your loved one through a Royal Family KIDS Living Memorial, you will be helping to create positive memories for children of abuse, abandonment and neglect. You will be encouraging children who have been given little reason to have hope for the future. And you will be showing love to kids who desperately need care and compassion. A Living Memorial gift makes an eternal impact on young lives.

To make a Royal Family KIDS Living Memorial, please return your gift with the detachable reply card. We will notify the person you have chosen to honor, or their family, of your gift. We never reveal the amount of the gift given, and you may give this gift anonymously, if you desire.

Your generosity in honoring your loved one will make an eternal impact on young lives.
Thank you.
